A tribute was paid to Mr David Rangeley who passed away suddenly in December. Mr Rangeley had worked for the Council on and off for more than 20 years mainly tending Kirkheaton Churchyard and keeping it maintained to a very high standard. He also worked for the Council at the two allotment sites and was always willing to help out on any gardening or outdoor job. He went about his duties quietly and diligently. He will be greatly missed.

Cllr D Bradbury declared a Disclosable Pecuniary Interest in the accounts as one of the cheques was made out to himself for the guidestop work he undertook.

Mrs Royle declared a personal interest in the accounts as Bramleys are one of her husband's clients.

Cllr R Barraclough declared a personal interest in planning applications 93609, 93610, 93611, 93746, 93773, 93782 and 93789 as he knows the applicant and also in the item on the tap at Grange Moor Allotments as he knows Mr Dyson. He also declared an interest in all the planning applications as he is a member of the KMC Heavy Woollen Planning Committee and stated that any views expressed would be of a preliminary nature with the final decision being taken at the Committee meeting when in receipt of full information.

Three residents from Hallas Road in Kirkburton addressed the Council on the planning application for the proposed development of 3 detached, 4 semi-detached and 3 terraced dwellings.

**194 Public Participation**

**Resolved:** To hold the meeting in public unless discussion was needed on contracts which would be held in a private session.

**195 Admission of the  
Public**

**Resolved:** To bring the following item to the start of the meeting.

**196 Change of Business**

Members had a lengthy discussion regarding planning application 2009/62/92554/E2: 11 Hallas Road, Kirkburton. Demolition of existing dwelling and garage and erection of 3 detached, 4 semi-detached and 3 terraced dwellings.

**197 Planning  
Application  
2009/62/92554/E2**

**Resolved:** The Parish Council to object to the development on the following grounds: Highways safety since the road is very steep and narrow, there is no pavement for the main part and it is the main route to school for a lot of school children; overdevelopment of the plot; the road is not suitable for HGV vehicles; there is no provision for visitor parking – this area cannot cope adequately with the existing level of parking; it would result in too many accesses onto one road for which many would have inadequate sightlines; insufficient school places and access to local health centres; detrimental impact on the neighbouring properties. It was also requested that the final decision on this application is taken by the Planning Committee.

There were no appointments to report.

**198 Chairman's Appointments**

**Resolved:** To accept the minutes of the Management & Finance Committee meeting held on 6<sup>th</sup> December 2012 as an accurate record noting that decisions were taken on the issues at the December Parish Council meeting.

**200 Parish Council Minutes**

*2012/93728 51, 53 & 55 Far Bank, Shelley*

Outline application for erection of 5 dwellings

To object on Highways grounds as Far Bank is a very busy road and also the increased pressure on local resources eg. schools, health centres.

*2012/93822 Gallagher Retail Park, Wakefield Road, Fenay Bridge*

Variation of Condition 3 relating to opening hours on previous permission 2009/90356 of stand-alone restaurant ie. to permit the restaurant to open at 5am instead of 7am

To object to the removal of Condition 3 on the grounds that it is unreasonable.

*2012/93879 Rear of 74 The Village, Thurstonland*

Discharge conditions 3 and 4 on previous permission 2011/93400 for erection of detached dwelling with integral garage (modified proposal) (Within a Conservation Area)

To object to the removal of these conditions on the grounds that the reasons they were imposed at the time the permission was granted are still valid, particularly with the site being located in a Conservation Area.
