**LP66 Public  
Participation**

**Resolved:** To hold the discussion of the repair to the path and levelling of gravestones at Kirkheaton Churchyard in private as it is the subject of a future contract.

**LP67 Admission of  
the Public**

Members noted the Kirkheaton Churchyard budget finance statement dated 16 March 2017.

**LP68 Budget**

Members considered the additional information received from the Diocese in respect of faculty requirements and associated costs for the work to the path and gravestones at the rear of the church. Members noted that the DAC's Architect had advised attaching the flagstones to a stainless steel expanded metal lathing to reduce the risk of a recurrence.

**LP69 Kirkheaton  
Churchyard  
Path /  
Gravestones**

Members were concerned about the delay the above procedures would have on the commencement of the contract and the additional costs.

**Recommendation:** To carry out the repairs to replace / reset the flagstones as previously resolved at Min LP54, excluding the work to the gravestones.

**Recommendation:** To note the additional information received from the Church and the Architect's advice. Also, to respond to the Church indicating that the Council will not be undertaking the additional work with regard to the lathing described above, or to the gravestones due to lack of available budget and the delay to the timing of the contract.

It was agreed that the Chairman would liaise with the Clerk on the date for the next meeting.

**LP70 Next Meeting**

The Chairman then closed the meeting.
