Kirkburton's Annual Report Just Published

Kirkburton Parish Council has just published its latest Annual Report. It's a very impressive document: 12 pages in full colour, giving details of all the projects and activities the Council and its Councillors have been involved in over the last year. It makes impressive reading.

It gives a detailed financial breakdown including lists of grants awarded to more than 50 different organisations right across the Parish for a whole range of activities from purchasing new toys and play equipment, maintaining community buildings, gardening equipment for use at allotments to name but a few.

It also gives information on various projects the Councillors have been working on, which include planting fruit trees, running gardening workshops for their allotment tenants, working on Grange Moor allotment.

So to keep yourself updated on all these issues, make sure you secure a copy of the Report!

It can be downloaded from the Council's website: www.kbpc.co.uk/Annual-Reports.aspx and paper versions will shortly be available from the libraries, post offices, village halls, medical centres and various other places in the Parish. You can also request one from the office: Tel: 01484 604391, Email: admin@kbpc.co.uk
